STATEMENT OF PURPOSE: This resolution authorizes the purchase of two (2) ProMinent Polyrex 1.0 dry polymer make-down systems from Vessco, Inc., for a total cost of \$81,215.44, payable from the water fund. This total includes start up costs, freight, and sales tax.

The new systems will be used as a filter aids in the treatment of water and will replace the existing dry polymer system, which is original to the plant and more than 40 years old.

Vessco, Inc., headquartered in Chanhassen, Minnesota, is a leader in the supply of water and wastewater technology.
